Release #	4.13
Release Date	July 2021

ISSUE FIX SUMMARY

Reference #	Issue	Resolution Details
1.1	The option to default the PDF report to automatically pull when a PayNet is pulled was not working (i.e. the related checkbox for it on the PayNet Integration Settings screen had no impact).	Pull the PDF report if the option to automatically pull the PDF report is enabled even if PDF is not selected on the Run screen.
