features that will make your team happy

copy that

Why does every P&L, balance sheet and tax return come in its own unique format? The agent reads them all line by line. One less thing for your team to worry about.

not a core memory

No one wants to remember the afternoons they've lost to spreading tax returns. With aurora, it's done in a few minutes.

blast from the past

Upload three years of statements and the agent lines them all up for you in one spread, ready for a little side-by-side comparison.

been around the block

Tried and truly tested on statements from over twenty equipment finance industries.

seeing is believing

Click any number in the spread and the matching line lights up on the original PDF.

signed, sealed, delivered

Every spread waits for your analyst to review it and sign off before it counts.

Retyping balance sheets is so last quarter.
